

HACKATRACK

SPONSORSHIP
PROSPECTUS

WHAT IS HACKATTACK?

HackAttack is a high school hackathon held on March 21, 2020, targeted towards students in the Sacramento area. It strives to be an all-inclusive event that engages students and drives them to express their creativity by utilizing STEM skillsets, and challenges them to use code to tackle a real-world problems. We hope to spread awareness to the fact that anyone can use technology as a tool for their near future.

WHY SPONSOR US?

By becoming a sponsor of our hackathon, your company will be able to reach out to many students and new coders who hope to pursue careers in STEM fields. Your contribution will greatly impact the participants and is a great way of advertising your brand or products.

INTERESTED?

If you hope to aid us in our goal of spreading opportunity and advancing interest in STEM throughout our community, please contact us at h.ackattack916@gmail.com.
